

OUR VISION

Empowering people to take action against substance abuse.

OUR VALUES

Our culture values everyone's contribution to prevention, treatment, and recovery.

WE BELIEVE

Prevention works, treatment is effective, and people do recover!

WHAT WE DO

Provide awareness of substance abuse through events hosted by PMP: Hands Across the Bridge, DeFeet Addiction Fun Run/Walk, Road to Recovery, Community Star Awards, and Annual Celebration.

Provide education through our Me360 program (delivered to youth ages 12-18), our Parents You Matter presentation, and Preventing Problems, Reducing Risk (delivered to 18-20 year olds). We can provide substance abuse information to any audience—parents, youth, church, community organization, businesses.

Established LEARN (Legislative Education Awareness & Resource Network)-Information for Policy Makers on Substance Abuse. PMP takes an active role in LEARN, supporting legislative policies that support substance abuse prevention and treatment in Nebraska and Iowa.

Stay Ahead of Substance Abuse

WHO WE ARE

PMP-Prevention Means Progress was formed in Pottawattamie County, Iowa, in 2004 to address specific meth issues facing the community. In 2006, we bridged the river into Nebraska to form a dual-state coalition. Today, we focus on prevention of all substances of abuse and have over 40 partners who collaborate in both Iowa and Nebraska. Find additional information and resources on our website: www.preventionmeansprogress.org
